Christopher Duffley Vision of Hope

**** Join us at 2014 Milal Night to meet Christopher Duffley**

And let the time of worship with him be a time for God to truly "Open the Eyes" of your heart.**

Christopher Duffley was born to the girlfriend and younger brother of his current Mother, Christine Duffley, at 26 weeks weighing 1 lb. 12 oz. with cocaine in his system. He was in critical condition at birth and there were countless nights of fear – fear that Christopher would not make it through the night. After months of living a busy life, hoping that Christopher would be okay, Christine decided to give social services a call and nonetheless, Christopher was in foster care. Christine & Steve Duffley overcame the initial fear and their hearts were moved with God promising them that He will take care of everything. Christopher was taken into the Duffley household as their fifth child at 14 months of age.

There were many mountains to climb as the Duffley household took Christopher in but they discovered the God given talent – Christopher had perfect pitch. That marked the beginning of "the most beautiful thing" – teaching and showing others to be able to see with their hearts rather than to only see with their eyes.

Christopher's first public performance took place when he was in first grade at Northwest Elementary School in Manchester, New Hampshire. On that occasion Christopher sang the Star Spangled Banner at a Memorial Day Assembly in front of his classmates, their families and many Veterans. Since that time he has sung the national anthem at sporting events, fundraising events for autism, local non-profits such as New Horizons, Salvation Army and Easter Seals, as well as bringing joy to nursing homes and church events. Most notably, Christopher has performed the national anthem at Fenway Park (July 2011 & Sept. 2013) and NASCAR racing (Sept. 2011).

He has also been featured at galas and conferences nationwide. Christopher's story and music were featured by four major media outlets in the spring of 2011. He also has received millions of views on his YouTube and GodTube Channel.

The best and most beautiful things in the world **cannot be seen or even touched**. They must be **felt with the heart.**" Helen Keller
